THERAPEUTIC RECREATION PROFESSIONALS APPRECIATION

I'd like to take a moment to recognize all the amazing
Therapeutic Recreation professionals
for their hard work, commitment and dedication to care for their patients.

Therapeutic Recreation professionals have stepped up throughout
COVID-19. They have gone above and beyond to improve the quality of life
and support the well-being of older adults in our communities,
especially residents in long-term care.

Thank you for everything you do to provide hope and make a difference
in the lives of our loved ones and the most vulnerable.

You're all absolute champions!
